MARAZZI

Intrecci

With an aristocratic personality and contemporary appeal, Intrecci is a wood-look stoneware collection that combines the classical coffered motif, in the large 120x120 size, with a 20x120 plank tile, to reconcile the timeless beauty of parquet with the versatility and variety required by architecture today. The outcome is a magical blend of the natural and the decorative, for design that blends the allure of history with an original modern touch.
